## RELAXATION WITH A EUROPEAN TWIST

Inspired by French style and German engineering, the komforté recliner combines the best of Europe to produce a degree of relaxation that cannot be achieved on a sofa.

komforté recliners are ergonomically-designed according to stringent international quality standards to fit your body. komforté recliners are available in a comprehensive range to suit any occasion or decor.

komforté recliners feature an adjustable recliner, a seat base that allows full 360° rotation as well as an integrated foot rest for total support.

komforté recliners are distributed by Comfort Culture and available at the Comfort Culture Shop, #03-44, Centrepoint Shopping Centre (Tel: 6735 2701). komforté recliners are also available at #02-32 to 36, Funan DigitaLife Mall (Tel: 6883 0638) and #L3-27, IMM (Tel: 6563 1338).
